Overview

The South Australian Health and Medical Research Institute (SAHMRI) has two spaces within its flagship facility on North Terrace that are available for hire and use. While it is possible for groups not associated with SAHMRI or based outside of South Australia to book SAHMRI's facilities, the primary focus and preference for booking the facilities is given to the following groups by order:

- SAHMRI staff and partners located within the building (The University of Adelaide, University of South Australia, Flinders University, EMBL Australia and CSIRO Food and Nutrition)
- Donors: Founding Ambassadors and Corporate Champions

SAHMRI has the right to refuse bookings which do not align with SAHMRI's core values & research. Refusal of bookings is at the discretion of SAHMRI management.
