

Position Description

POSITION TITLE: Research Assistant

LOCATION: South Australian Health and Medical Research Institute (SAHMRI)

REPORTS TO: Coolamon Navigator

DEPARTMENT: Aboriginal Communities and Families Health Research Alliance, SAHMRI Women and Kids

PURPOSE AND SCOPE OF THE POSITION

This Research Assistant will provide a professional level of research support to the ICARE Research Program as part of the Coolamon Team and activities of the Aboriginal Families and Communities Health Research Alliance (ACRA) priority projects.

This position will be based at SAHMRI Women and Kids and will work across a number of health services that provide antenatal and postnatal care to Aboriginal and Torres Strait Islander families (predominately but not limited to Women's and Children's Hospital, Lyell McEwin Hospital and / or Flinders Medical Centre).

The aim of the Coolamon Team is to enrol pregnant women and their key support person into a wraparound care model to support transition into early parenthood.

SAHMRI considers that being Aboriginal or a Torres Strait Islander is a genuine occupational requirement for this position under sub-s 56(2) of the Equal Opportunity Act 1984 (SA). To be eligible to apply for this position, applicants must identify as Aboriginal or Torres Strait Islander and proof of Aboriginality will be required.

KEY RESPONSIBILITIES

The specific duties include:

- Research support to the ICARE Program and any ongoing research activities within the ACRA team
- Undertake research activities as directed, including organising, and following up potential research participant consents, referring and supporting participants for the care package, attending, and supporting consultation workshops and data collection.
- Work successfully within a hospital setting, liaising with stakeholders, health care professionals, researchers, study investigators and colleagues.
- Undertake informed consent and enrolling participants into the ICARE program.
- Perform accurate data collection and data milestone completion.
- Participate in Aboriginal and team cultural activities.
- Participate in special projects to continuously improve processes, tools, systems, and organisation.
- Take reasonable care to protect own health, safety and welfare at work and avoid affecting the health and safety of any other person at work.

- Participate in the implementation of the Institute's Work, Health and Safety Management System and related laws, regulations, and guidelines.
- Ensure that duties are performed in keeping with the principles outlined in SAHMRI's Vision, Mission and Values and the **Code of Conduct Policy** and the **SA Aboriginal Health Research Accord**.

SPECIAL REQUIREMENTS

- Identify as Aboriginal or Torres Strait Islander
- Some out of hours' work may be required.
- DCSI Working with Children Check employment screening and National Police Clearance are required.
- Primarily located at SAHMRI North Terrace and will be expected to work at one or two maternity hospital sites as directed including (but not limited to) The Women and Children's Hospital and Lyell McEwin Hospital. Some Travel is required amongst locations and the community.
- Access to a car and drivers licence.
- SAHMRI is required to implement the [Addressing vaccine preventable disease: Occupational assessment, screening and vaccination policy](#) for SAHMRI employees carrying out work in any SA Health Facility.
 - Immunisation Risk for this position is Category A (direct contact with blood or body substances)
